BEVERAGE BLENDERS

Vitamix sets itself apart as the leader in the global commercial blending industry by bringing value to its customers through the quality and consistency of blend, improving speed of service, enhancing reliability and developing customized programs. Operators can easily offer a successful beverage program with perfectly blended frappés, smoothies, shakes, daiquiris, margaritas, and other high margin cocktails when using Vitamix beverage blenders.

THE QUIET ONE™

Up to 4 times quieter than the competition, the newest blender from Vitamix, The Quiet One has advanced vibration-dampening technology that creates Vitamix quality drinks in a more enjoyable customer atmosphere. The magnetically-secured, floating sound enclosure makes it dramatically easier to clean and disassemble. Designed with 6 program buttons, with 34 optimized programming options, The Quiet One provides operators with consistent drinks every time.

BLENDING STATION® ADVANCE®

The Blending Station Advance has been engineered for perfection. A powerful ≈ 3 peak output HP motor, 34 optimized programs and a noise reducing cover consistently deliver perfectly-blended drinks with an improved customer experience.

T&G™ 2 BLENDING STATION®

The T&G 2 offers reduced sound and blending time. With a ≈ 2 peak output HP motor and 34 optimized programs, operators can easily offer frappés, smoothies and frozen drinks.

DRINK MACHINE ADVANCE®

From fruit smoothies to thick shakes, the Drink Machine Advance is an essential tool for adding or expanding your blended beverage program. With 6 optimized programs, automatic shut-off and pulse control, you deliver consistent drinks every time.

DRINK MACHINE TWO-STEP

The Drink Machine Two-Step is the smart machine for efficient, quality blending. With the timer and automatic shut-off, you start the blender and walk away! The Drink Machine Two-Step is the simple, easy way to add a profitable, blended beverage program to your menu.

DRINK MACHINE TWO-SPEED

The Drink Machine Two-Speed is the reliable blender for when you need powerful, functional, blending. With manually-controlled two-speed HIGH/LOW capability, you will flawlessly create delicious, frozen coffee drinks, fruit smoothies, frappés, granitas, shakes and more.

Whether preparing blended drinks, simple syrups, or purées for cocktail bases, the BarBoss Advance is an essential tool for expanding and maintaining your beverage program. With 6 optimized programs, automatic shut-off and pulse control, you will deliver consistent and delicious drinks every time.

The BarBoss is the smart machine for efficient, quality blending. With the timer and automatic shut-off you start the blender and walk away. The BarBoss is the simple, easy way to create your signature drinks.

PORTION BLENDING SYSTEM® ADVANCE®

The PBS Advance is the portion-control, ice shaver blender with ultimate flexibility for your business. With its large 5-gallon ice capacity, ice shaver dispenser and 6 optimized programs, you have the ability to create up to 4 crowd-pleasing drinks at once. A reliable, advanced-technology blender, with 93 speeds, variable speed control and automatic shut off, provides delicious consistency from drink to drink.

PORTION BLENDING SYSTEM®

The PBS blends up to 4 drinks at once using any mix, fresh or frozen fruit. With its large 5-gallon ice capacity, 93 speeds and precision ice-portioning, there's no waste – saving time, money, and labor.

MIX-IN TREATS

The Mix'n Machine® and Mix'n Machine® Advance® are the industry's leading frozen treat mixers. You can incorporate candies, cookies, fruit and other hard-to-mix ingredients into hard or soft serve ice cream or frozen yogurt to make highly-profitable frozen treats. Perfect for high-volume ice cream shops, smoothie shops and quick-service restaurants.

The pre-programmed Mix'n Machine Advance has revolutionized the frozen treat market! Designed for versatility, the robust Mix'n Machine Advance eliminates guesswork for operators. With a cup-activated "smart delay", 6 optimized blending programs, end-of-cycle indicator, automatic shut off and pulse control, this workhorse is the most consistent and efficient mixer on the market.

The Mix'n Machine is a favorite in the frozen treat market with its outstanding durability, operator safety, and cleanability. It easily mixes candies, cookies, or fruit with ice cream or frozen yogurt for exciting and high-profit mix-in treats and shakes.

CULINARY PREPARATION

Across the globe, chefs and culinary schools count on their Vitamix equipment to create the perfect tastes and textures found on their menus. Chefs count on Vitamix blenders for versatility, reliability, and outstanding performance. In busy kitchens where volume, quality, and efficiency are key to successful dining experiences, you'll find Vitamix professional blending equipment.

VITAMIX XL® VARIABLE SPEED

Maximize your kitchen's possibilities with the largest-capacity, countertop blender. Blend up to 24 (8 oz.) servings at once! The XL, with its powerful 4.2 peak output HP motor, is engineered to reduce prep-time, improve staff efficiency, and expand your menu capabilities. Also available in a programmable model.

VITA-PREP® 3

With its \approx 3 peak output HP motor, professional chefs and culinary schools around the world trust the Vita-Prep 3 for exceptional power, versatility and performance. From chopping delicate ingredients to blending tough purées, the Vita-Prep 3 is the only tool that's durable and capable of perfectly chopping, grinding, and blending it all.

VITA-PREP®

The Vita-Prep is the ideal power tool for commercial kitchens. The variable speed control allows you to chop, grind, purée or blend dense ingredients at exactly the right speed. The versatile Vita-Prep is a must in back-of-the-house kitchens where consistency and quality are essential.
